- Extra Innings: If the score is tied at the end of five innings, extra innings may be played provided no new inning starts after 8:15pm, *regardless of start time.*
- Shortened games: A complete game consists of 4 complete innings...or...if the home team is leading after 3 ½ innings...or if the home team takes the lead in the bottom of the 4th inning when the game is called.
- Regular season games may end in a tie if it is shortened due to weather/darkness and will be considered a tie in league standings.
- Playoff games CANNOT end in a tie. If a playoff game ends in a tie and/or cannot continue due to weather/darkness, the league office will determine if the game will resume from the point it ended; or if the game will be played over in its entirety.
- If the game is tied after the 8:15pm curfew, the game will go in the books as a tie.

FORFEIT RULE:

If a team has at least 7 roster players available for a game, the HEAD COACH must attempt to call players up for that game to bring the team to 8, 9 or 10 players for the game. 10 players is optimal, but teams can play with 8 or 9.

Game Day Forfeits: Each team will be given a 10 minute grace period if they have **7 or less players.**

- Teams can play a game with 8 players, but will take an out every time the 9th spot in the batting order comes up. Teams may play with 9 or 10 players without penalty.
- No grace period for an 8 player team, start the game and insert a 9th / 10th player (in last spot in batting order) when/if they show.

Teams with only 7 players or less cannot start the game. If they do not have 8 total players by the 10 minute grace period, they forfeit.

EQUIPMENT:

- BALL: will be 11-inch softballs.
- DIAMOND DIMENSIONS: Pitching distance shall be 35 feet and base paths 60 feet.
- BATTING HELMETS: All batters and base runners must wear helmets w/ facemasks.
- FACEMASKS: Pitchers are required to wear a facemask during the game. All other infield players are strongly urged to wear them, however it is not mandatory.
- BAT: Maximum barrel diameter: 2¼ inches, maximum barrel length: 34 inches. The following certified bat stamps will be deemed legal: USSSA, USA, ASA & NSA

RULES OF PLAY:

- Fast pitch with 10 defensive players.
- Defense **may not** station more than 6 players in the infield (including pitcher & catcher.)
- All present players shall be in the batting order at all times.
- Every player must play at least 3 defensive innings. This rule applies to all players who arrive at or before the start of the second inning.
- Late arriving players (players who arrive after the game has started) will be inserted at the end of the batting order.

- 6 run maximum per team/per inning, with the exception of the 5th inning and extra innings. Unlimited runs in 5th/extra innings.
- Free defensive substitution.
- Infield fly rule is **not** in effect.
- No Bunting.
- No Stealing.
- Lead offs:** A player may not leave the base until the ball leaves the pitcher's hand. Players leaving early or taking excessive lead offs of more than 8ft. (discretion of the umpire) will be given one warning & will be called out for any subsequent violations.
- Base runners shall advance only on a hit ball.

Advancement of Bases:

- On a hit in the **infield:** Runners may advance at their own risk until the natural conclusion of a play in the infield. (No advancing on overthrows to any base)
- On a hit to the **outfield:** Runners may advance at their own risk until the ball is in possession of any defensive player in the infield (Infield is considered inside the crown of the infield dirt).
 - **Additionally: a chalked hash mark will be placed halfway between first base & second base, second base & third base, and third base & home plate. If a runner has not reached the hash mark at the moment the ball arrived in the infield, the umpire will call a dead ball and send that runner back to the base they previously reached
- Base runners may **not** slide head-first into any base. "Dive-backs" into bases are allowed. Head first slides will result in the runner being called out.
- Non-collision rule **is** in effect. All base runners must avoid contact with fielders. Incidental/legal contact will be left to the discretion of the umpire. *This is not a must-slide rule! Base runners violating this rule will be called out with no warning.*
- Dropped third strike rule is **not** in effect.
- No illegal pitches. If the umpire deems an illegal pitch was made, it will be called a dead ball/no pitch.
- Umpires will automatically call base runners out for missed bases once the play comes to its natural conclusion.

PITCHING RULES:

*****The following rules apply for the entire season*****

Innings 1,2,3 ...Player pitch.

Innings 4, 5 ...Coach pitch only. A player should still be positioned as a pitcher for defensive plays, with at least one foot inside the designated pitchers circle. The coach cannot be closer than 20ft. from home plate..

-IF A COACH IS HIT DURING COACH PITCH IT IS CONSIDERED A DEAD BALL. The batter is awarded first base. Every base runner is also awarded one base.

-A player can only pitch 3 innings per game and 5 innings per week... One pitch or more in an inning counts as an inning pitched.

-If the umpire rules that the batter did not attempt to avoid the pitch, and does not award the batter first base, then it will not count as a hit batter. The umpire will be solely responsible for this determination which is a non-arguable judgment call.

MERCY RULE:

-If a team is leading by 12 runs or more at the end of 4 innings of play (or 3½ if they are the home team), the game will end

COACHES/UMPIRES:

-Only the head coach may speak with the umpire during the game, and those discussions must be respectful per the attached coach code of conduct/ethics.

CALL UP PLAYER RULE:

If a team will be short players, a coach can secure a player or players to be called up for a game. **The following requirements MUST be followed:**

- Coaches can only call up a 8 year old from their HOME HOUSE organization.
- Call up players **MUST** wear their league issued uniform from the current year.
- Call up players must play defense in the outfield **ONLY!**
- Call up players must bat in the last spot(s) in the batting order.

-If a call up player unexpectedly gives a team more than the minimum amount of players needed, **DO NOT** send the player home. In this case, the called up player will play less innings in the field than all roster players, and follow the rules above.

Rainouts / rescheduling games:

The head coach of the home must follow the steps below when a game is canceled...

- Confirm multiple dates that work for both teams.
- Confirm diamond availability w/ league director.
- Reschedule cancelled game within 48 hours. (Game must be made up prior to the end of the regular season)
- Inform Jacie Schmid once the game is officially rescheduled.

THUNDER & LIGHTNING POLICY:

*HJBSL follows the NYSPHSAA policy on thunder and lightning... Thunder and lightning necessitates that contests be suspended. The occurrence of thunder and/or lightning is not subject to interpretation or discussion - thunder is thunder, lightning is lightning.

*When thunder is heard and/or when lightning is seen, the following procedures should be adhered to by the Field Supervisor OR the Head Umpire (in the absence of a Field Supervisor).

- a) Suspend play and direct participants to go to shelter, a building normally occupied by the public or if a building is unavailable, participants should go inside a vehicle with a solid metal top (e.g. bus, van, car).
- b) Do not permit people to stand under or near a tree; and have all stay away from poles, antennas, towers and underground watering systems.
- c) After thunder and/or lightning have left the area, and wait 30 minutes after the last boom is heard or strike is seen before resuming play or competition.

Disciplinary Action: As the agency which administers this league, The Village of Hamburg Recreation Dept. reserves the right to conduct investigations and hand out disciplinary actions if it sees fit. League administrator is Jacie Schmid
